

# James Dance & Performing Arts Center

*Celebrating 61 Years of Excellence!*

**Celebrating our 61st year, James Dance & PAC has stayed true to our founder's philosophy:**

***"Quality education for every student that comes through our door."***

With a strong belief in age-appropriate instruction and choreography, our studio focuses on technique, performance, community, and character to encourage our students to "Believe, Achieve, and Succeed." From a toddler's first recital to a student's first Tony Award, we are by their side every step of the way. By placing priority upon the meaning, process, and purpose of the Arts, our students gain personal growth, experience, empowerment, and inspire others through the performing arts.
